# California Indian Basketweavers' Resource Directory - Interest Form

The CIBA office receives several requests each month from interested parties who are looking to be put into contact with our members for a variety of reasons. These reasons include purchasing or commissioning new baskets, requests for basketry teachers or demonstrators, requests for presentations on "area specific" tribal, cultural history, and requests for basketry identification. In the past, CIBA had created and printed a "California Indian Basketweavers Resource Directory," which listed our members who were open to being contacted in relation to these requests. CIBA will be working on creating an updated 2020 California Indian Basketweavers' Resource Directory and we are currently seeking members who would like to be added to this directory. If you are interested in becoming a part of this directory, please provide us with the following information:
